General Local News.

THE scent of Orange blossoms perfume the morning air.

EVERY day brings fresh importations of Hickory nuts.

APPLES sell from fifteen cts. to fifty cents in this market, and sales are by no means brisk.

When Whayer & Hoelers are elected draw on us for that peck of hickory nuts we bet.

To serenaders:
O, cease thy strains of sweetest songs,
To Heaven those softest notes belong.

GEO. C. WEDDING is stumping this district in behalf of HAYES and WHEELER.

We call upon our citizens to rally to our standard bearer, Hon. JAS. A. McKENZIE, Kentucky's young Orator.

Two of the most Honorable Gentlemen we have met for some time were Hon. JAS. A. McKENZIE and Hon. J. Z. MOORE.

"If music be the food of love"—gentle musicians, let thy dulcet strains proceed; play "stand me on my little head" once more.

THE result of the elections in Ohio and Indiana proves that the election of Uncle Samuel is among the certainties with an earnest and resolute effort.

AMERICAN genius is recognized the world over. JOSH FORD is trying to sell a Kentucky cider-mill over in Illinois to the "succors" to grind wheat in it for flour.

MR. MOORE is a very affable young man—too young to be thus thrown upon so uncertain a sea to combat with the rough billows of JIM McKENZIE's torrent of talent.

MUMEN ELLIS AND NOLLIE TAYLOR, of this city, who have for several months past, been visiting relatives and acquaintances in Union county, returned home last Thursday evening.

THE October Elections have demonstrated the fact that Americans cannot be bought with their own money, emboldened by corruption and fraud on the part of their temporary rulers. Thank God, for that.

COLD WINTER.—The prognosticators of the coming winter have begun to make their predictions. Farmers say that we are to have a hard winter because the corn-shuck is very thick. The goose-bone man has not got in yet; he is probably waiting until Thanksgiving day to kill his goose.

THE season for parties, balls and amusements generally, have begun in earnest in Hartford. Quite an interesting entertainment was given the young folks, in honor of Miss Dix, of Breckinridge county, at the residence of Mr. A. L. MORTON, on last Friday evening. All our young folks were present and all join in the chorus of applause to Mr. and Mrs. A. L. MORTON. Their joyous and innocent amusement was kept up till the "wee wee" hours, that found them tripping the "light fantastic toe."

At the joint discussion between Capt. SAM E. HILL and Col. O. P. JOHNSON, on the night of the 4th inst., at Rockport, our neighbors will hear both sides of the question fairly argued. We never heard either of the gentlemen speak but we know them personally and think them incapable of falsifying and that they will argue their sides from honorable standpoints. They would both "sooner be right than President." Give them a rousing house.

Personals.

"BUCK" MORTON, our prince grocery man left Monday, for Charleston Mo., to attend to some business he is connected with in that place. We noticed a blank, monotonous downcast look from several of our belles, last Sunday and knew not the cause till we learned the above—He will only be absent for a few days.

MR. J. W. LEWIS, a prominent business man of this city for a number of years has removed to Rosine.

COL. O. P. JOHNSON has leased and removed his family to the residence recently occupied by Mr. J. W. LEWIS. JOHN is a clever, energetic and live business man.

DR. H. BALDWIN, of Elizabethtown one of the best Dentists of Kentucky, was at the Hartford House this week and left for home to-day.

MR. JOHN H. DEAN, Piano Tuner Repairer and Salesman for THEO. GREER & CO., dealers in music and musical instruments will be in town tomorrow. Persons wishing Piano's tuned or repaired or wishing to purchase music or musical instruments would do well to make a note of this. Orders left at this office will receive prompt attention.

A FEW days ago two wagons loaded with wheat, bound for the mill, became all at once in a terrible hurry, each one trying to get his grist in first put whip to his "flery untamed steeds," and rushed through our streets at a frantic rate, causing mothers much uneasiness for their little ones (who were busily engaged in cracking hickory nuts on the curb stones) and raising "old nick" generally. Our worthy City Marshal, ever on the alert to protect the peace and dignity of our city, being cognizant of the fact "pulled" the would-be-violators of our city's law and forthwith brought them before his august presence, the Mayor, who with that dignified grace, so becoming one of his station, viewed the case, impartially, and called upon them to come forward and hear the charges. "Gentlemen," says he "you are hereby charged with the heinous and diabolical crime of violating one of the most sacred ordinances of the city, I am, the effect compelled, by the authority vested in me, to assess a ten dollar fine upon each of your sinful heads, depart in peace, but remember to—
Hold your horses, will you,
And do not drive so fast
And may the Lord have mercy on your souls."

Needless Suffering.

Why is it that when attacked with Headache, Toothache, Neuralgia, Rheumatism, or any of the countless pains and aches that flesh is heir to many persons suffer for days and perhaps weeks, endeavoring all the while to bear up so stoically under their weight of afflictions? Why is it they run frantically from one remedy to another, seeking relief and finding none. And why is it that if finally their pains are removed, it is at such a frightful cost of time and money? The answer of all these questions is very simple: it is because they have never tried that sovereign remedy, the SEVEN SEALS OR GOLDEN WONDER, for if they had they would have been instantly, effectually cured. The most excruciating acute pains, and the most agonizing chronic aches are like driven out by its magic influence. It is the most speedy and certain remedy for pains that has ever been discovered.

Try it; keep trying it, and try it again. We say this because we believe that the health, happiness and prosperity of the people depend upon the proper use of these medicines, which have proved so successful in eradicating disease and defeating death. The medicine so effective in its cure of diseases is the great Southern remedy, Simmons' Liver Regulator. Try it; we believe that the first trial will be satisfactory.

Lost.—A Watch Charm of red and green stones, in Hartford on last Monday. Any one finding the same and leaving it at the Herald Office, or delivering it to me at Beaver Dam, will be liberally rewarded.
W. H. MURRELL.

Do you take The Sunny South?

If not, send for it immediately. It is the universal favorite, and all Southerners are proud of it. Let a large club be raised without delay in this community. It is the only illustrated literary weekly in the South, and the press and people everywhere unite in pronouncing it the equal in every respect of any similar publication in America. The best literary talent of the whole country, North and South is writing for it, and it has something each week for all classes of readers. Its stories are superior in literary merit, and equal in thrilling interest, to those of any other paper, and its essays upon all subjects are from the best minds of the age.

In addition to thrilling new stories, a series of brilliant articles will soon begin on the CAMPAIGNS AND BATTLES OF THE ARMY OF TENNESSEE, by COLONEL R. W. FROELICH, a distinguished military engineer of that army in all its trying times. These papers will explain all the movements of Generals Johnston Hood and Sherman. Don't miss any of the numbers. They will read like a fascinating romance.

New and exciting stories are beginning every week or two.
State and local agents are being appointed everywhere, but let each community form a club at once and send for the paper. Having passed successfully through two of the hardest years we shall ever see, it now challenges the admiration and unlimited support of the people. The price is \$3 a year, but clubs of four and upwards get it for \$2.50. Address JNO. H. SEALS, Atlanta, Ga.
